OPB is used in our evening grids to represent the Oregon Public Broadcasting stations: KOAB, Ch. 3 in Bend; KOAC, Ch. 7 in Corvallis; and KEPB, Ch. 28 in Eugene.

In the sports guide and some cross references, 2K refers to KOTI in Klamath Falls; 8M refers to KSYS in Medford; and 12M refers to KDRV in Medford.

Chs. 8M, 22 and OPB schedule instructional classroom programs during the school year.

WB The WB Network is available on some cable systems in the following areas and uses the following local station identification: Eugene: KZWB; Medford-Klamath Falls: KMFD.

Time Warner-Manhattan Edition

Channel listings are in chronological order, newest first.

5/15/99

The following chart is a list of the local stations and cable services offered by Time Warner Cable. Most are included in the daily listings and program charts. Those that are not included in the edition are indicated by a blank space in the "To View" column. Those that are included in the program charts but not included in the daily listings are indicated by an asterisk.

There are some differences in the channel lineups, ordering instructions and customer service operations between southern Manhattan and northern Manhattan (formerly Paragon Cable). See map on the next page. The differences are indicated by an "S" or an "N".
